

# BACHELOR of SCIENCE in NURSING

## Program and Course Equivalency Guide for Kellogg Community College (2010-2011)

The RN to BSN Program has been developed to meet the needs of registered nurses who want to complete their bachelor's degree. The BSN degree requires at least 120 semester hours of course work. Students must complete 45 semester hours of 300 and 400 level courses for graduation. In keeping with the College Mission, students are expected to complete one hour of service learning for every hour they are enrolled at Miller College. Service learning may be performed at any time prior to the completion of the Senior Seminar. *The purpose of this guide is to outline the BSN program's requirements for the catalog year noted above. Please be aware that your catalog year and requirements are determined by the first semester in which you are admitted to this program and take classes at Miller College.*

### DEGREE REQUIREMENTS

#### General Education Requirements

Current, unrestricted and unencumbered Registered Nurse Licensure fulfills all General Education Requirements except the 21 semester hours of Miller College BSN Core classes listed below.
