

BACHELOR of SCIENCE Business Administration Program and Course Equivalency Guide for Kellogg Community College

The Bachelor of Science with a Business Administration major requires at least 120 semester hours of course work and is designed to equip students with professional managerial knowledge and skills applicable to both profit and not-for-profit organizations. Students must complete 45 semester hours of 300 and 400 level courses for graduation. In keeping with the College Mission, students are expected to complete one hour of service learning for every hour they are enrolled at Miller College. Service learning may be performed at any time prior to the completion of the Senior Seminar. *Please be aware that your catalog year and requirements are determined by the first semester in which you actually take classes at Miller College.*
