

BACHELOR of SCIENCE
Business Administration
Health Administration Concentration
Program Guide and Course Equivalency Guide for Kalamazoo Valley Community College (2009-2010)

The Bachelor of Science with a Health Administration Concentration requires at least 120 semester hours of course work and is designed to equip students with professional managerial knowledge and skills applicable to both profit and not-for-profit organizations. Students must complete 45 semester hours of 300 and 400 level courses for graduation. In keeping with the College Mission, students are expected to complete one hour of service learning for every hour they are enrolled at Miller College. Service learning may be performed at any time prior to the completion of the Senior Seminar. *The purpose of this guide is to outline the Health Administration Concentration program's requirements for the catalog year noted above. Please be aware that your catalog year and requirements are determined by the first semester in which you actually take classes at Miller College.*
